

PROTOCOL ON LIABILITY AND COMPENSATION FOR DAMAGE RESULTING FROM TRANSBOUNDARY MOVEMENTS OF HAZARDOUS WASTES AND THEIR DISPOSAL

The Parties to the Protocol,

Having taken into account the relevant provisions of Principle 13 of the 1992 Rio Declaration on Environment and Development, according to which States shall develop international and national legal instruments regarding liability and compensation for the victims of pollution and other environmental damage,

Being Parties to the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and their Disposal,

Mindful of their obligations under the Convention,

Aware of the risk of damage to human health, property and the environment caused by hazardous wastes and other wastes and the transboundary movement and disposal thereof,

Concerned about the problem of illegal transboundary traffic in hazardous wastes and other wastes,

Committed to Article 12 of the Convention, and emphasizing the need to set out appropriate rules and procedures in the field of liability and compensation for damage resulting from the transboundary movement and disposal of hazardous wastes and other wastes,

Convinced of the need to provide for third party liability and environmental liability in order to ensure that adequate and prompt compensation is available for damage resulting from the transboundary movement and disposal of hazardous wastes and other wastes,

Have agreed as follows:

ARTICLE 1

Objective

The objective of the Protocol is to provide for a comprehensive regime for liability and for adequate and prompt compensation for damage resulting from the transboundary movement of hazardous wastes and other wastes and their disposal including illegal traffic in those wastes.

ARTICLE 2

Definitions

1. The definitions of terms contained in the Convention apply to the Protocol, unless expressly provided otherwise in the Protocol.

2. For the purposes of the Protocol:

(iv) The costs of measures of reinstatement of the impaired environment, limited to the costs of measures actually taken or to be undertaken; and

(v) The costs of preventive measures, including any loss or damage caused by such measures, to the extent that the damage arises out of or results from hazardous properties of the wastes involved in the transboundary movement and disposal of hazardous wastes and other wastes subject to the Convention;

ARTICLE 3

Scope of application

1. The Protocol shall apply to damage due to an incident occurring during a transboundary movement of hazardous wastes and other wastes and their disposal, including illegal traffic, from the point where the wastes are loaded on the means of transport in an area under

the national jurisdiction of a State of export. Any Contracting Party may by way of notification to the Depositary exclude the application of the Protocol, in respect of all transboundary movements for which it is the State of export, for such incidents which occur in an area under its national jurisdiction, as regards damage in its area of national jurisdiction. The Secretariat shall inform all Contracting Parties of notifications received in accordance with this Article.

2. The Protocol shall apply:

(a) In relation to movements destined for one of the operations specified in Annex IV to the Convention other than D13, D14, D15, R12 or R13, until the time at which the notification of completion of disposal pursuant to Article 6, paragraph 9, of the Convention has occurred, or, where such notification has not been made, completion of disposal has occurred; and

(b) In relation to movements destined for the operations specified in D13, D14, D15, R12 or R13 of Annex IV to the Convention, until completion of the subsequent disposal operation specified in D1 to D12 and R1 to R11 of Annex IV to the Convention.

3. (a) The Protocol shall apply only to damage suffered in an area under the national jurisdiction of a Contracting Party arising from an incident as referred to in paragraph 1;

(b) When the State of import, but not the State of export, is a Contracting Party, the Protocol shall apply only with respect to damage arising from an incident as referred to in paragraph 1 which takes place after the moment at which the disposer has taken possession of the hazardous wastes and other wastes. When the State of export, but not the State of import, is a Contracting Party, the Protocol shall apply only with respect to damage arising from an incident as referred to in paragraph 1 which takes place prior to the moment at which the disposer takes possession of the hazardous wastes and other wastes. When neither the State of export nor the State of import is a Contracting Party, the Protocol shall not apply;

(c) Notwithstanding subparagraph (a), the Protocol shall also apply to the damages specified in Article 2, subparagraphs 2 (c) (i), (ii) and (v), of the Protocol occurring in areas beyond any national jurisdiction;

(d) Notwithstanding subparagraph (a), the Protocol shall, in relation to rights under the Protocol, also apply to damages suffered in an area under the national jurisdiction of a State of transit which is not a Contracting Party provided that such State appears in Annex A and has acceded to a multilateral or regional agreement concerning transboundary movements of hazardous waste which is in force. Subparagraph (b) will apply mutatis mutandis.

4. Notwithstanding paragraph 1, in case of re-importation under Article 8 or Article 9, subparagraph 2 (a), and Article 9, paragraph 4, of the Convention, the provisions of the Protocol shall apply until the hazardous wastes and other wastes reach the original State of export.

5. Nothing in the Protocol shall affect in any way the sovereignty of States over their territorial seas and their jurisdiction and the right in their respective exclusive economic zones and continental shelves in accordance with international law.

6. Notwithstanding paragraph 1 and subject to paragraph 2 of this Article:

(a) The Protocol shall not apply to damage that has arisen from a transboundary movement of hazardous wastes and other wastes that has commenced before the entry into force of the Protocol for the Contracting Party concerned;

(b) The Protocol shall apply to damage resulting from an incident occurring during a transboundary movement of wastes falling under Article 1, subparagraph 1 (b), of the Convention only if those wastes have been notified in accordance with Article 3 of the Convention by the State of export or import, or both, and the damage arises in an area under the national jurisdiction of a State, including a State of transit, that has defined or considers those wastes as hazardous provided that the requirements of Article 3 of the Convention have been met. In this case strict liability shall be channelled in accordance with Article 4 of the Protocol.

7. (a) The Protocol shall not apply to damage due to an incident occurring during a transboundary movement of hazardous wastes and other wastes and their disposal pursuant to a bilateral, multilateral or regional agreement or arrangement concluded and notified in accordance with Article 11 of the Convention if:

(i) The damage occurred in an area under the national jurisdiction of any of the Parties to the agreement or arrangement;

(ii) There exists a liability and compensation regime, which is in force and is applicable to the damage resulting from such a transboundary movement or disposal provided it fully meets, or exceeds the objective of the Protocol by providing a high level of protection to persons who have suffered damage;

(iii) The Party to the Article 11 agreement or arrangement in which the damage has occurred has previously notified the Depositary of the non-application of the Protocol to any damage occurring in an area under its national jurisdiction due to an incident resulting from movements or disposals referred to in this subparagraph; and

(iv) The Parties to the Article 11 agreement or arrangement have not declared that the Protocol shall be applicable;

(b) In order to promote transparency, a Contracting Party that has notified the Depositary of the non-application of the Protocol shall notify the Secretariat of the applicable liability and compensation regime referred to in subparagraph (a) (ii) and include a description of the regime. The Secretariat shall submit to the Meeting of the Parties, on a regular basis, summary reports on the notifications received;

(c) After a notification pursuant to subparagraph (a) (iii) is made, actions for compensation for damage to which subparagraph (a) (i) applies may not be made under the Protocol.

8. The exclusion set out in paragraph 7 of this Article shall neither affect any of the rights or obligations under the Protocol of a Contracting Party which is not party to the agreement or arrangement mentioned above, nor shall it affect rights of States of transit which are not Contracting Parties.

9. Article 3, paragraph 2, shall not affect the application of Article 16 to all Contracting Parties.

ARTICLE 4

Strict liability

1. The person who notifies in accordance with Article 6 of the Convention, shall be liable for damage until the disposer has taken possession of the hazardous wastes and other wastes. Thereafter the disposer shall be liable for damage. If the State of export is the notifier or if no notification has taken place, the exporter shall be liable for damage until the disposer has taken possession of the hazardous wastes and other wastes. With respect to Article 3, subparagraph 6 (b), of the Protocol, Article 6, paragraph 5, of the Convention shall apply mutatis mutandis. Thereafter the disposer shall be liable for damage.

2. Without prejudice to paragraph 1, with respect to wastes under Article 1, subparagraph 1 (b), of the Convention that have been notified as hazardous by the State of import in accordance with Article 3 of the Convention but not by the State of export, the importer shall be liable until the disposer has taken possession of the wastes, if the State of import is the notifier or if no notification has taken place. Thereafter the disposer shall be liable for damage.

3. Should the hazardous wastes and other wastes be re-imported in accordance with Article 8 of the Convention, the person who notified shall be liable for damage from the time the hazardous wastes leave the disposal site, until the wastes are taken into possession by the exporter, if applicable, or by the alternate disposer.

4. Should the hazardous wastes and other wastes be re-imported under Article 9, subparagraph 2 (a), or Article 9, paragraph 4, of the Convention, subject to Article 3 of the Protocol, the person who re-imports shall be held liable for damage until the wastes are taken into possession by the exporter if applicable, or by the alternate disposer.

5. No liability in accordance with this Article shall attach to the person referred to in paragraphs 1 and 2 of this Article, if that person proves that the damage was:

(a) The result of an act of armed conflict, hostilities, civil war or insurrection;

(b) The result of a natural phenomenon of exceptional, inevitable, unforeseeable and irresistible character;

(c) Wholly the result of compliance with a compulsory measure of a public authority of the State where the damage occurred;
or

(d) Wholly the result of the wrongful intentional conduct of a third party, including the person who suffered the damage.

6. If two or more persons are liable according to this Article, the claimant shall have the right to seek full compensation for the damage from any or all of the persons liable.

ARTICLE 5

Fault-based liability

Without prejudice to Article 4, any person shall be liable for damage caused or contributed to by his lack of compliance with the provisions implementing the Convention or by his wrongful intentional, reckless or negligent acts or omissions. This Article shall not affect the domestic law of the Contracting Parties governing liability of servants and agents.

ARTICLE 6

Preventive measures

1. Subject to any requirement of domestic law any person in operational control of hazardous wastes and other wastes at the time of an incident shall take all reasonable measures to mitigate damage arising therefrom.

2. Notwithstanding any other provision in the Protocol, any person in possession and/or control of hazardous wastes and other wastes for the sole purpose of taking preventive measures, provided that this person acted reasonably and in accordance with any domestic law regarding preventive measures, is not thereby subject to liability under the Protocol.

ARTICLE 7

Combined cause of the damage

1. Where damage is caused by wastes covered by the Protocol and wastes not covered by the Protocol, a person otherwise liable shall only be liable according to the Protocol in proportion to the contribution made by the wastes covered by the Protocol to the damage.
2. The proportion of the contribution to the damage of the wastes referred to in paragraph 1 shall be determined with regard to the volume and properties of the wastes involved, and the type of damage occurring.
3. In respect of damage where it is not possible to distinguish between the contribution made by wastes covered by the Protocol and wastes not covered by the Protocol, all damage shall be considered to be covered by the Protocol.

ARTICLE 8

Right of recourse

1. Any person liable under the Protocol shall be entitled to a right of recourse in accordance with the rules of procedure of the competent court:
 - (a) Against any other person also liable under the Protocol; and
 - (b) As expressly provided for in contractual arrangements.
2. Nothing in the Protocol shall prejudice any rights of recourse to which the person liable might be entitled pursuant to the law of the competent court.

ARTICLE 9

Contributory fault

Compensation may be reduced or disallowed if the person who suffered the damage, or a person for whom he is responsible under the domestic law, by his own fault, has caused or contributed to the damage having regard to all circumstances.

ARTICLE 10

Implementation

1. The Contracting Parties shall adopt the legislative, regulatory and administrative measures necessary to implement the Protocol.
2. In order to promote transparency, Contracting Parties shall inform the Secretariat of measures to implement the Protocol, including any limits of liability established pursuant to paragraph 1 of Annex B.
3. The provisions of the Protocol shall be applied without discrimination based on nationality, domicile or residence.

ARTICLE 11

Conflicts with other liability and compensation agreements

Whenever the provisions of the Protocol and the provisions of a bilateral, multilateral or regional agreement apply to liability and compensation for damage caused by an incident arising during the same portion of a transboundary movement, the Protocol shall not apply provided the other agreement is in force for the Party or Parties concerned and had been opened for signature when the Protocol was opened for signature, even if the agreement was amended afterwards.

ARTICLE 12

Financial limits

1. Financial limits for the liability under Article 4 of the Protocol are specified in Annex B to the Protocol. Such limits shall not include any interest or costs awarded by the competent court.
2. There shall be no financial limit on liability under Article 5.

ARTICLE 13

Time limit of liability

1. Claims for compensation under the Protocol shall not be admissible unless they are brought within ten years from the date of the incident.
2. Claims for compensation under the Protocol shall not be admissible unless they are brought within five years from the date the claimant knew or ought reasonably to have known of the damage provided that the time limits established pursuant to paragraph 1 of this Article are not exceeded.
3. Where the incident consists of a series of occurrences having the same origin, time limits established pursuant to this Article shall run from the date of the last of such occurrences. Where the incident consists of a continuous occurrence, such time limits shall run from the end of that continuous occurrence.

ARTICLE 14

Insurance and other financial guarantees

1. The persons liable under Article 4 shall establish and maintain during the period of the time limit of liability, insurance, bonds or other financial guarantees covering their liability under Article 4 of the Protocol for amounts not less than the minimum limits specified in paragraph 2 of Annex B. States may fulfil their obligation under this paragraph by a declaration of self-insurance. Nothing in this paragraph shall prevent the use of deductibles or co-payments as between the

insurer and the insured, but the failure of the insured to pay any deductible or co-payment shall not be a defence against the person who has suffered the damage.

2. With regard to the liability of the notifier, or exporter under Article 4, paragraph 1, or of the importer under Article 4, paragraph 2, insurance, bonds or other financial guarantees referred to in paragraph 1 of this Article shall only be drawn upon in order to provide compensation for damage covered by Article 2 of the Protocol.

3. A document reflecting the coverage of the liability of the notifier or exporter under Article 4, paragraph 1, or of the importer under Article 4, paragraph 2, of the Protocol shall accompany the notification referred to in Article 6 of the Convention. Proof of coverage of the liability of the disposer shall be delivered to the competent authorities of the State of import.

4. Any claim under the Protocol may be asserted directly against any person providing insurance, bonds or other financial guarantees. The insurer or the person providing the financial guarantee shall have the right to require the person liable under Article 4 to be joined in the proceedings. Insurers and persons providing financial guarantees may invoke the defences which the person liable under Article 4 would be entitled to invoke.

5. Notwithstanding paragraph 4, a Contracting Party shall, by notification to the Depositary at the time of signature, ratification, or approval of, or accession to the Protocol, indicate if it does not provide for a right to bring a direct action pursuant to paragraph 4. The Secretariat shall maintain a record of the Contracting Parties who have given notification pursuant to this paragraph.

ARTICLE 15

Financial mechanism

1. Where compensation under the Protocol does not cover the costs of damage, additional and supplementary measures aimed at ensuring adequate and prompt compensation may be taken using existing mechanisms.

2. The Meeting of the Parties shall keep under review the need for and possibility of improving existing mechanisms or establishing a new mechanism.

ARTICLE 16

State responsibility

The Protocol shall not affect the rights and obligations of the Contracting Parties under the rules of general international law with respect to State responsibility.

PROCEDURES

ARTICLE 17

Competent courts

1. Claims for compensation under the Protocol may be brought in the courts of a Contracting Party only where either:

- (a) The damage was suffered; or
- (b) The incident occurred; or
- (c) The defendant has his habitual residence, or has his principal place of business.

2. Each Contracting Party shall ensure that its courts possess the necessary competence to entertain such claims for compensation.

ARTICLE 18

Related actions

1. Where related actions are brought in the courts of different Parties, any court other than the court first seized may, while the actions are pending at first instance, stay its proceedings.

2. A court may, on the application of one of the Parties, decline jurisdiction if the law of that court permits the consolidation of related actions and another court has jurisdiction over both actions.

3. For the purpose of this Article, actions are deemed to be related where they are so closely connected that it is expedient to hear and determine them together to avoid the risk of irreconcilable judgements resulting from separate proceedings.

ARTICLE 19

Applicable law

All matters of substance or procedure regarding claims before the competent court which are not specifically regulated in the Protocol shall be governed by the law of that court including any rules of such law relating to conflict of laws.

ARTICLE 20

Relation between the Protocol and the law of the competent court

1. Subject to paragraph 2, nothing in the Protocol shall be construed as limiting or derogating from any rights of persons who have suffered damage, or as limiting the protection or reinstatement of the environment which may be provided under domestic law.

2. No claims for compensation for damage based on the strict liability of the notifier or the exporter liable under Article 4, paragraph 1, or the importer liable under Article 4, paragraph 2, of the Protocol, shall be made otherwise than in accordance with the Protocol.

ARTICLE 21

Mutual recognition and enforcement of judgements

1. Any judgement of a court having jurisdiction in accordance with Article 17 of the Protocol, which is enforceable in the State of origin and is no longer subject to ordinary forms of review, shall be

recognized in any Contracting Party as soon as the formalities required in that Party have been completed, except:

- (a) Where the judgement was obtained by fraud;
- (b) Where the defendant was not given reasonable notice and a fair opportunity to present his case;
- (c) Where the judgement is irreconcilable with an earlier judgement validly pronounced in another Contracting Party with regard to the same cause of action and the same parties; or
- (d) Where the judgement is contrary to the public policy of the Contracting Party in which its recognition is sought.

2. A judgement recognized under paragraph 1 of this Article shall be enforceable in each Contracting Party as soon as the formalities required in that Party have been completed. The formalities shall not permit the merits of the case to be re-opened.

3. The provisions of paragraphs 1 and 2 of this Article shall not apply between Contracting Parties that are Parties to an agreement or arrangement in force on mutual recognition and enforcement of judgements under which the judgement would be recognizable and enforceable.

ARTICLE 22

Relationship of the Protocol with the Basel Convention

Except as otherwise provided in the Protocol, the provisions of the Convention relating to its Protocols shall apply to the Protocol.

ARTICLE 23

Amendment of Annex B

1. At its sixth meeting, the Conference of the Parties to the Basel Convention may amend paragraph 2 of Annex B following the procedure set out in Article 18 of the Basel Convention.

2. Such an amendment may be made before the Protocol enters into force.
